Reflective Questions

1. What is one thing I did with my Kimochis lesson that I will train others to do when they teach Kimochis?

2. List 3 positive outcomes that came from this short lesson in the Kindergarten classroom for both the teacher and students.

For Students	For Teachers
1.	1.
2.	2.
3.	3.

3. What specific classroom teaching aspect of your Kimochis training will you make sure to incorporate into your trainings?

3. What was one tricky thing you handled, that you will train others to be prepared for? If there was not a tricky moment, what can you predict your colleagues will have to be prepared for?
